

## YOUR CHANCE TO LEARN NEW DECORATING SKILLS

An exciting training opportunity to learn some decorating 'tricks of the trade' is extended to residents of South Northants Homes this summer. Mears Projects in partnership with South Northants Homes have put together a two-day course where participants will get the chance to work on their painting & decorating skills as part of a special two-day training event taking place on July 21<sup>st</sup> & 22<sup>nd</sup>. Those taking part will be offered technical guidance, practical support and hands on experience in an enjoyable and relaxed learning environment. If you are interested in taking part or require further information on these training dates, please contact South Northants Homes Community Development Manager Becky Pavey on 08454 606888. Places are limited and will be offered on a first come first served basis.
